

Tranz Global Warranty

Warranty Information

The parts offered by Tranz Global are in accordance with OEM standards and are interchangeable in fit, form, function and performance with corresponding EMD, G.E. & ALCO locomotive part numbers.

The parts are of equal quality and dimensions in accordance with the original manufacturers parts referenced by the EMD, G.E. & ALCO catalogue numbers.

All materials offered by Tranz Global are free from defects in material, manufacture, design and workmanship. This warranty will be for a period of 12 months in service or 18 months from time of shipment.

If our material is found to be defective or fails in service within the warranty period when used properly according to specifications, we will repair or replace the material at our option provided the reasons for rejection are brought to our attention before the warranty expires.

Contact our office for further information on our wide range of locomotive products and services.
